

"Birds of a Feather"

*Look what you missed!
Birds of a Feather brought together
women and men who weren't afraid to
show their colours and have some fun.
Quite frankly, we had a ball!
Come join us at our next show.*

You didn't catch this show? Come to Studio Mélange Fridays and Saturdays, I'm open noon to five. Or call me at 905 873 7366 for an appointment. I am always working on new pieces and would love the chance to design the art wear that's just right for you!
